

Looking for a talented Graduate or Consultant

Are you a talented and motivated graduate Planner looking for an exciting career opportunity? Are you an experienced consultant / resource management planner looking to make your mark? Do you have the enthusiasm to drive the continuous development of a business that offers something different?

We are on the lookout for either a Graduate Planner or experienced Resource Management Consultant to join our established team located in Napier.

Mitchell Daysh is a specialist environmental consultancy with a presence in every region nationally. We provide specialist advice around complex planning and resource management issues and are involved in interesting projects of all scales for a range of dynamic clients. Our culture and the quality of our team sets us apart – we boast many of New Zealand’s most respected, knowledgeable and innovative professionals and all our staff get their hands dirty and work closely on projects, forging long term partnerships with clients.

This is a fast paced, high productivity, deadline-based business so we are looking for someone who thrives in this kind of environment and will the enjoy the challenges of this busy role.

You will need to demonstrate the following skills:

- A Bachelor’s Planning Degree and /or Master’s Planning Degree or related discipline.
- Alternatively, a Planning, Resource Management, Environmental Science or Law Qualification (post graduate level is preferred but not essential).
- Demonstrated awareness of key planning and resource management issues in New Zealand.
- Relevant experience (excepting graduates) within private practise, public sector or an inhouse planning role.
- Strong technical planning and resource consent capability within the RMA.
